The remaining difference between the contractor's amount for Bid Item Number 1 and \$125,000 will be paid after the project is accepted by the Board of Public Works.

B. FIXED CASH ALLOWANCE ITEMS: Bid item numbers 2 and 3 are considered "Fixed Cash Allowance Items". The pre-printed dollar amount in the ITEM TOTAL for bid item numbers 2 and 3 shall not be changed. Any alteration or deletion or provisions applied to these items may render the proposal irregular and may cause the bid to be rejected. The actual payment for these items will be adjusted at the end of the construction to reflect the actual costs expended. Such adjustment is not subjected to markup (overhead, profit, bonds and insurance, etc.) except for Bid Item Number 3, as indicated in the General Requirements Section 01212 "Fixed Cash Allowance Items".

C. Enhanced Electrical Safety Criteria: Required on this project for all worksite electrical labor. Refer to the Bid Proposal, Part IV "General Instructions and Information for Bidders", Subsections 14d and 16b.
